

2020 Conference Announcements of Clinical Research and Medical Case Reports | Dec 03, 2020 Rome, Italy

Michael M. I. Abecassis, MD
Dean, College of Medicine (Banner)

We gladly welcome all the attendees around the world for the hearing of the foremost recent innovations and inventions in the field of **Medical sciences**. This Conference will provide a place for the exchange of ideas and views by leading scientists, researchers and also from the academicians around the globe. There will be many outstanding keynote speakers and well known leading scientists and experts from various places of the globe to share their ideas and talk about various aspects related to the field of medical sciences. Our aim is to gather peer researchers, young scientists, **academicians** & industrialists to meet, discuss and share the ideas related to it and the knowledge that's still more to be revealed. We heartily encourage you to attend and contribute to one of the major events of 2020 in the field of Medical sciences stem cells. The conference will reveal the present and future aspects in the field of Medical sciences stem which is the need for instant and better treatment.

This Congress will encourage scientists and researchers & young researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea by felicitating them with the 'Best Speaker', 'Best Presenter', 'Best Research', 'Best Young Researcher' and The 'Best Poster Award' respectively. The Main aim is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledge.

The **Sponsor & Exhibitor** will get chance to expose themselves to new clients, customer, business, brand awareness and media exposure. Our sponsorship has categorized with Premium Sponsorship Packages: Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Media Partner, Collaborator, Additional Sponsorship Packages and Advertisements.

This Conference gives an opportunity for speakers from all over the world to share new topics. It is also an interdisciplinary platform for researchers, practitioners and educators to discuss the most recent advances.

Who and Why??

This Conference brings together the specialists from all the aspects to discuss about the future of Medical sciences in today's world to thrive and survive with a better health. Directors specialists, Investigators, Post-Doctoral Fellows, Research and Diagnostic Laboratories, Clinical Fellows, Students, Biomedical Research companies, Healthcare Institutions, Market Research and Consulting Firms, Pharmaceutical Companies and all other interested participants willing to enhance and update the knowledge may attend the conference.

Who are Attending Clinical Conferences?

1. We are seeking reviews from various specializations such as Gastroenterology, Hepatology, Pediatrics and adolescent medicine and General Surgery.
2. Students from various fields such as Medicine, Pharmacy, Clinical Research Centers.
3. Experts from various disciplines like virologist, microbiologists, epidemiologists, pharmacologists will prefer attending Clinical Research Conferences to present their research

Benefits of attending Clinical Reports Meeting:

1. An opportunity to meet the mentors across the world face-to-face.
2. Sharing ideas challenges and plan something interesting for future.
3. Learning with people who have same interests.
4. We get to have professors, ask questions, and speak something which is interesting, something that we are passionate about.

Importance & Scope:

Treatments including in Medical sciences don't work for the others and sometimes those treatments simply stop working and only a global search for answers will help us get to grip this disease. The conference will provide with an opportunity for the delegates from Universities and Institutes to interact with the world class Scientists and Industry Professionals working in the field of oncology.

2nd World Meet on Clinical & Medical Case Reports gives an opportunity for speakers from all over the world to share new topics in the field of Oncology research. It is also an interdisciplinary platform for researchers, practitioners and educators to discuss the most recent advances, in the field of Medical sciences cure and treatment.

This Conference will encourage scientists and researchers & young researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea by felicitating them with the 'Best Speaker', 'Best Presenter', 'Best Research', 'Best Young Researcher' and The 'Best Poster Award' respectively. The Main aim is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledge.

The Sponsor & Exhibitor in this Conference will get chance to expose themselves to new clients, customer, business, brand awareness and media exposure. Our sponsorship has

categorized with Premium Sponsorship Packages: Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Media Partner, Collaborator, Additional Sponsorship Packages and Advertisements.

Highlights of the Conference:

Case Reports on Orthopaedics | Case Reports on Psychology | Primary care reports | Case Reports on Pathology | Case Reports on Cardiology | Surgical Case Reports | Clinical Cardiology | Case Reports on Neurology | Pediatric Case Reports | Gastroenterology Related Case Reports | Case Reports on Ophthalmology | **Case Reports on Obstetrics & Gynecology** | Case Reports on Pulmonology
