

Baher Effat

Research Professor, National Research Centre, Egypt

Prestigious Award for Young Research's at [Tissue Science 2020] - Discovering New Exploration in {Genetics & Molecular Biology} field.

[Genetics & Molecular Biology](#) Conference Committee is glad to announce "International Conference on Tissue Science and Regenerative Medicine" during November 02-03, 2020 in Rome, Italy by focus on the theme: "Redefining Health Care through Tissue Engineering".

[Tissue Science 2020] developments are maintaining their momentum. Tissue Science and Regenerative Medicine Conference program delves into strategic discussions.

[Tissue Science 2020] Young Scientist Awards: [Genetics & Molecular Biology Conference Committee](#) is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of [{Genetics & Molecular Biology}](#).

Young Research's Awards at [Tissue Science 2020] for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the [\[Tissue Science 2020\]](#) young research forum.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners
- Our conferences provide best Platform for

your research through oral presentations.

- Learn about career improvement with all the [latest technologies](#) by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

[Tissue Science 2020] provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join [Tissue Science 2020] for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our [\[Tissue Science 2020\]](#) more successful.
